

Job Advert

Ayr Club 1XV Team Manager

Ayr RFC are looking for a team manager to work with the club 1XV next season. You will be highly motivated and well organised with a strong work-ethic, you will require excellent communication skills with players and team management. You will be comfortable using social media and communication apps, a good understanding of rugby along with its' laws and regulations is preferable. You will require the ability to work independently and be resourceful.

Working hours

The team manager will be required to be available two nights a week and most Saturdays during the season (August – April). You must be willing and able to communicate with players during the day.

Job requirements

- Organise team travel - including any pre-season tours.
- Co-ordinate training kit for match days and game day and training nights.
- Communicate with players over training arrangements and match timings and club functions.
- Work with new players and clubs to obtain and transfer player registrations.
- Booking of training facilities.
- Dress changing rooms on match days.

Season Structure

The club will compete in the Tennent's National 1 league next season. The league kicks-off in August and runs through to April 2020. There will be pre-season before the start of the domestic competition. More detailed information will be given at interview.

Expenses

This is a voluntary role within the club and is unpaid. Expenses however will be covered along with branded kit provided.

Any questions and applications should be forwarded to Stuart Fenwick (Ayr 1XV Head Coach) at: Stuart@ayrrugbytrust.org. Applicants should forward a current curriculum vita along with a covering letter of no more than 500 words.

Closing Date: Monday 17th June
